BLUE LEAVES
HYGIENE PRODUCTS MADE WITH

# THE IDEAL SOLUTION FOR INCONTINENCE CARE

BLUE LEAVES

HYGIENE PRODUCTS MADE WITH ♥

## ABOUT

BlueLeaves underpads are disposable underpads for incontinence care, that work great for bed or chair protection. They have the most absorbency to prevent leaks, reduce odour and help maintain a dry environment for the user.

The underpads are ideal for incontinence patients who are unable to use body worn products due to sensitive skin, skin irritation and infection.

## FEATURES

- Leakage protection
- Odour control
- Latex-free
- Heavy absorbency
- Fluff pad, non-woven top sheet
